*God the LORD is
my Banner*
Exodus 17:8-16

1. What part of the text or message had the greatest impact on you? Where were you most encouraged, intrigued, or challenged?
2. Where are you currently experiencing “dryness,” disappointment, or weakness, and how might God be inviting you to depend on Him more fully there?
3. Is there a battle, temptation, fear, or burden where you have been relying primarily on your own strength? How can you practically entrust that battle to the Lord?

What does humble, prayerful dependence on God look like in your ordinary week? What tends to pull you away from abiding in Christ (John 15)?

4. Where do you need patience with God’s gradual work in your life? What would it look like to “press on” in faith rather than become discouraged (Philippians 3:12-14)?
5. Who are the “Aaron and Hur” figures in your life — people who know you, pray for you, and help encourage and support you? If you do not have them, what is one step you could take toward that kind of connection (Hebrews 3:12-14)?
6. Is there someone whose hands seem weary right now? How could you become an “Aaron or Hur” to them through prayer, encouragement, practical help, or faithful presence?

As a group, how can we be more intentional about our group becoming a community where people genuinely known, supported, and pointed back to the Lord?
