Is God Justifiably Merciful
Jonah 4

1. Which point from Sunday's sermon challenged, convicted, or encouraged you the most?
2. Where in your life would you prefer your freedom and not God's? Is there anything you have not submitted to his Lordship?
3. Is God leading you through a season of discomfort? How can you use this season as an opportunity for spiritual growth and maturity?
4. Is there a person in your life God calls you to forgive and show mercy toward today?

Ask one another to pray your heart may be softened toward them. Use this as an opportunity not to gossip but to focus on your own heart.

5. What acts of labor has God placed before you? The discipleship of another, the beginning of a hard conversation, or simply to share the gospel where you are planted?
6. Do you have unrepentant sin in your life? Confess your sin to one another and to God that you may obtain mercy.
